

vPedal vP-1 MKII Declaration of Conformity

NOTICE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions:

This device may not cause harmful interference.

This device must accept any interference received including interference that may cause undesired operation.

Instructions to Users: This equipment complies with the requirements of FCC (Federal Communication Commission) equipment provided that the following conditions are met.

NOTICE: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**FCC Declaration of Conformity**  
**According to 47 CFR, Part 15 of the FCC Rules**  
**\* For the following named product: vPedal USB vP-1 MKII**

We hereby declare that this device complies with Part 15 of the FCC Rules.  
Operation is subject to the following two conditions:

This device may not cause harmful interference, and  
This device must accept any interference received,  
including interference that may cause undesired operation.

\* FCC Rules: Tested to comply with FCC part 15, class B (Doc)
